Community Garden Rules

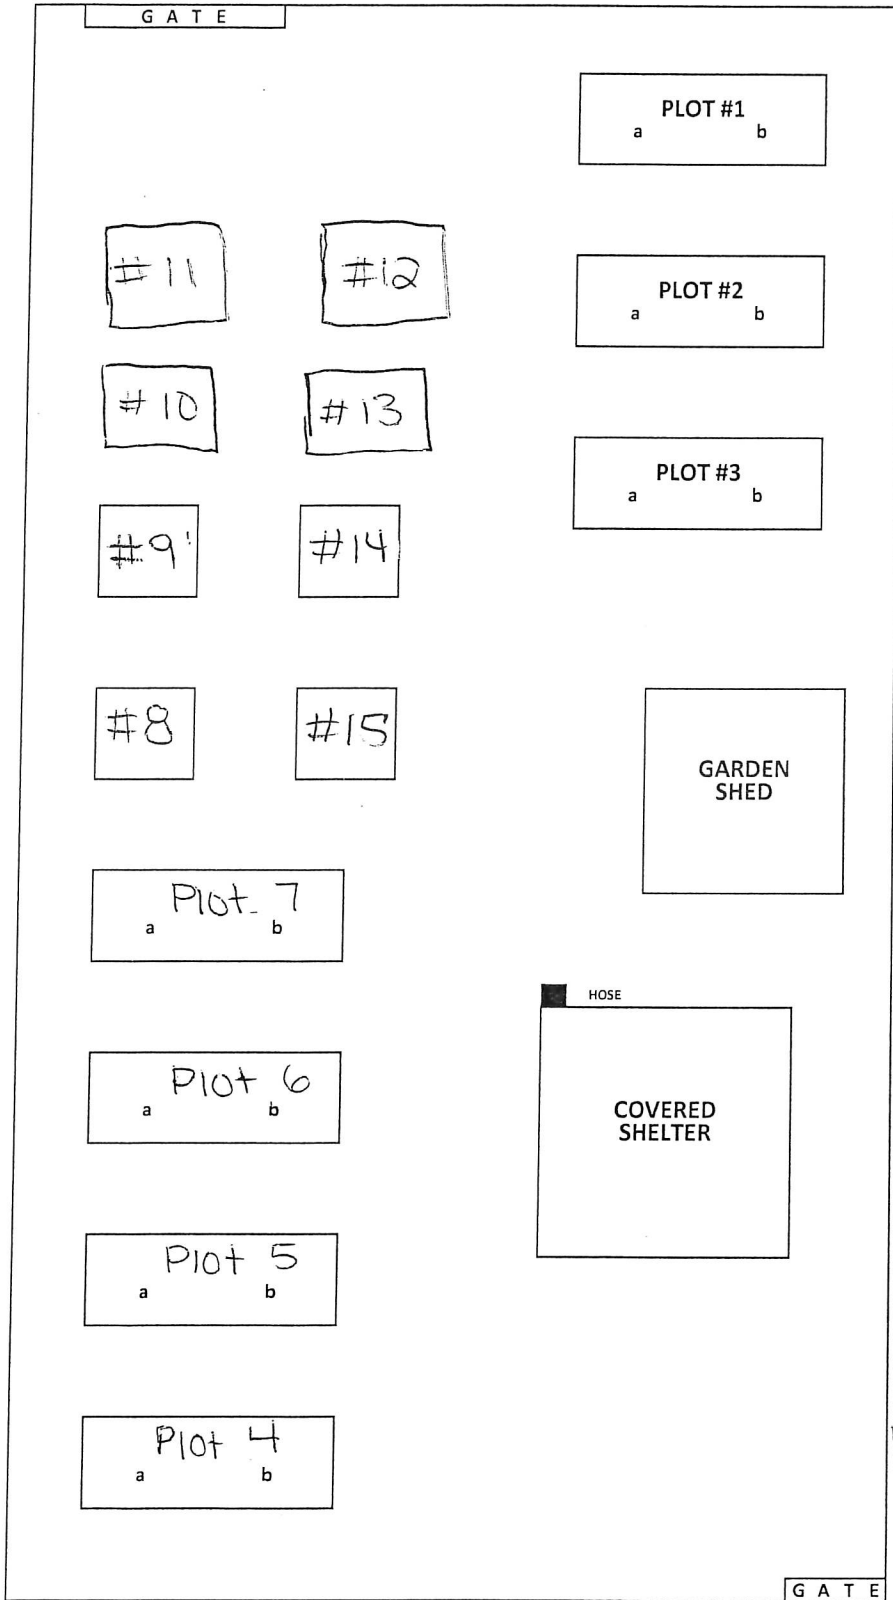

1. Each gardener is responsible for the maintenance and upkeep of their garden plot.
Watering, weeding, harvesting and any other garden related maintenance are all the responsibility of the gardener. Gardeners may arrange for other gardeners to water their plots.
2. Tools will be made available for use.
A limited number of tools, hoses and watering equipment will be available in the community garden area and storage shed. The Township is not responsible for tools / supplies left by gardeners.
3. Each gardener will be given access to the garden and the storage shed for access to tools and watering equipment.
Gardeners are responsible keeping garden gate closed and returning all tools to the storage shed.
4. Children are welcome in the garden but must be accompanied and supervised by an adult at all times.
5. Garden plots should be cared for at least once a week. If any plot remains unattended for more than three weeks that plot is subject to reassignment.
6. The application of chemical herbicides (weed killers) to the garden plots is prohibited.
7. Assignment of garden plots will be awarded at the discretion of the Township of Ear Falls. Preference for next year's plots will be given to this year's participants first.
8. Gardeners may only grow and harvest vegetables and flowers in their garden plot.
9. At the end of the growing season, gardeners are responsible for clearing their plot of all plant material and leaving the plot as they found it in the spring.

I have read, understand, and will abide by the rules of the Ear Falls Community Garden.
